SOFT-STONE™

moisture resistant water resistant flame retardant machinability paintability usage suitability interior exterior wet area

SOFT-STONE™ cannot be guaranteed to match panel to panel, so it is recommended that orders take into account of future maintenance or re-fit possibilities. Since this product is made of natural stone, color, texture and grain variances are not defects within the material and no two sheets are exactly the same.

Model No : ST-57T

Panel Materials : 100% Real stone

Manufacturing Method : Machine Cutting

Dimension : 1200mm X 2800mm X 2mm

Surface Finish : Raw
